EATING

#### LUNCH OR DINNER

Our food is inspired by our idyllic grounds designed by the quintessentially English gardener, Capability Brown. We pride ourselves on using the very best quality seasonal ingredients and are currently replanting our Victorian walled garden so we can use more homegrown produce. All our meat is free range and traditionally reared by people who are passionate about what they do, and all our fish comes from ethical and sustainable sources.

For parties of up to 12 guests we offer our full seasonal à la carte dining menu that can be chosen from on the day of your event.

For parties from 13 to 20 guests we offer a reduced à la carte dining menu of 3 choices from each course. This selection can be made by you prior to the event and orders can either be taken on the day or provided before hand.

For parties above 20 in number we would ask that the entire party dine from the same set menu. This can again be selected from our seasonal à la carte menu or if you have a particular dish in mind or you would like a bespoke seasonal menu, our Chef and his team would be more than happy to discuss your requirements.

#### SUNDAY LUNCH
