# Christmas

WITH  
CONFIDENCE

The team at Stoke Place are pleased to present 'Christmas with Confidence', our reassurance that your festive celebration will take place in a safe and healthy environment where the appropriate hygiene and social distancing procedures are in place.

The festive season is an opportunity to relax, indulge and have fun with your family and friends after a challenging year.

Our proposition gives you the peace of mind that everything will be taken care of.

We look forward to offering you a truly warm welcome.

## Our Proposition

Our Christmas with Confidence proposition focuses on 3 key areas: cleanliness, flexibility and social distancing – full details below.

### Cleanliness

An enhanced cleaning and disinfection programme is in place across all areas of the hotel. Hand sanitising stations are in place throughout the venue and all staff at the hotel have undergone COVID-19 awareness and food hygiene training.

### Flexibility

Our experienced events coordinators will work with you to accommodate any special requests.

### Social distancing

Your host will explain our social distancing protocols. We have placed floor markings and signage throughout the venue and our menus are all available on our websites via QR codes.

The team at Stoke Place are experienced at ensuring you have a great time.
