

STOKE PLACE WEDDINGS

THE PERFECT ESCAPE

In the heart of Buckinghamshire, set in 26 acres of Capability Brown designed gardens, sits Stoke Place — a different kind of country home hotel.

Once a place where royalty could unwind, it offers true elegance without the airs and graces. You'll feel just as at home wandering the sweeping staircases as you will dancing with your friends through the night.

Combine magic and grandeur with all the modern amenities for a wedding that everyone will remember. Our dedicated team are on hand to ensure all you envision comes to life.

LOVE IN ALL SEASONS

Spectacular in every season, Stoke Place impresses all year round.

Enjoy our heritage home in winter, with snow blanketed across the grounds and cosy spaces for all your guests.

In Spring and Summer, the gardens leap into life, teeming with colour and wildlife. In Autumn, you'll delight in the deep red leaves, roaring fires and sunlight reflecting off the lake.

STAY A WHILE

Unwind after a full day of celebrations in one of our 39-classically styled hotel rooms.

Each with its own distinct atmosphere, our rooms marry heritage architecture with all the modern essentials.

All of our rooms are fitted with premium beds that you can just melt into. Then, upon waking, you'll feel like royalty as you get ready for a stroll across our beautiful grounds.

This is how every day should begin.

EPICURIOUS DELIGHTS

Stoke Place has a culinary history like no other country home in England.

Our menus pay homage to these roots, proudly serving exceptional and definitive British cuisine.

Partnering with a range of local suppliers, we offer the best in modern dining options including woodfired pizza trucks and Asian street food for your evening celebrations. We also provide exclusive access to our impressive wine cellar with the option to hire a private sommelier.

Whatever you choose, we are here to help you create a dining experience that you'll be talking about for years to come.
